Whatever hope of liberty and justice that is left to us lies in the principles of the Republican party. The Negro who votes to the contrary can scarcely deserve liberty and justice.

That a little Negro boy at Des Moines refused to salute the flag has aroused newspaper comment all over the country. There is no law which compels anyone to salute the flag or which punishes anyone for saluting it with insincerity.

One of the travesties of this border excitement is that Texas has asked to have the 24th Infantry (Colored) stationed along the border to protect their interests, and in spite of our patriotism there come surging through our memory that hated word—Brownsville.

The Kansas City colored teachers who refuse to subscribe to the fund being raised to bring about a state convention for the purpose of revising the constitution, are simply following the doctrine of "Safety First." They know what a lot of white Democratic politicians would do with the constitution if they had their way with it.

The Sun is extremely grateful to the SUN BOOSTERS, organized by Prof. Joe E. Herriford for the splendid efforts made to increase the circulation of the paper. Many new subscribers have been added to the paper thru the efforts of the following gentlemen: Drs. J. H. Williams, J. E. Perry, Prof. J. D. Bowser, J. R. E. Lee, R. T. Coles, G. A. Page, William H. Dawley, Jr., Mr. T. G. McCampbell, Mr. F. J. Weaver, Mr. C. H. Calloway, Mr. R. B. DeFrantz, Mr. J. A. Wilson, Rev. William H. Thomas, J. R. Ransom and J. W. Hulse.

"SUN BEAMS."

Boys, we're on the brink of a great battle. The honor of Kansas City is at stake. We are threatened by a political tyrant who has a death grip on our city. From every party the honest, clean citizens are flocking to the Republican banner—will you do your part? The fight for Kansas City is not won!

Shannon, with dirty corporation money, will try to buy the election.

We have been robbed during the past four years. Our taxes have been squandered.

Now they are trying to steal the election!

Kansas City will repudiate this insult April 4.

The enemies of the city are organized.

The Metropolitan, the Terminal Company, the Gas Company and all

the public service corporations are loading Shannon with bribe money.

The friends of Kansas City must fight these tactics by exposing the Shannon methods.

Just raised our taxes and gave us nothing for our money. The rabbits were crying for gold.

Just says "My people." Does he mean us? No! He favors the newest, meanest and most disgusting Democratic policy of segregation.

Abraham Lincoln said "The Government of, by and for the people." Kansas City has government of, by and for Joe Shannon.

Geo. H. Edwards is the friend of the Negro. While in the Council, the Democrats tried to put through a "Jim Crow Law"—Mr. Edwards fought this measure and succeeded in defeating it.

The same men are trying to defeat George Edwards in his fight for the city—but the Colored man is with Mr. Edwards and he will be elected!

"At fire headquarters they have a box of Jost buttons. Every fireman is asked to pin the Jost Club and pay a fee of \$5.00, and if he refuses he knows he will lose his job. The firemen, a great many of whom are not for Shannon and Jost, but with a club over their heads, what can they do?"

GEO. C. HALE,
Former Fire Chief.

Betty & Sam's Little Corner

THEY SAY

—That this spring weather sure sends thrills thru your blood. Believe me.

—That the young people in the cities are not marrying like they used to. Why?

—That spring is "dun cum" is proven by the number of "cullud" women out hunting greens.

—That the man who out preaches Rev. J. W. Hulse has sure got to go some. Yes indeed, honey.

—That some Negroes who think they are smart are only laughing stock for real men and women.

—That it's awfully hard to beat Ebenezer Chapel doing anything. If you don't believe it try it and see.

—That Dr. Theo Smith is one of the most attentive and successful business men the race has produced. Sure he is always on the job.

—That Abraham is Holy Writ beget a son when he was 114 years old. What sport the gang would have if Uncle Abe was living today.

—That if the Democratic factions are as bad as each says the other is then the whole bunch ought to be chloroformed. Amen!

—That if Edwards wins next Tuesday (which looks like a cinch) the band will surely play "Massa's in the cold, cold ground" for some of the boys.

—That there's nothing as pitiable as the miserable failure who is always throwing mud at others because he has not the ability, manhood or honor that brings success. Kansas City has one or two such characters.

His talk was divided into twelve points, in which he told of the vital needs to assist the child in moral, mental and physical development. He laid particular stress on the close relationship that exists between the teacher and the mother and by helping each other the child receives material benefit.

A vote for George H. Edwards for mayor is a vote for cleaner streets, better city government, better equalization of the burden of taxes. The election of Edwards means that city improvement will go forward. But to make the result complete vote the Republican ticket straight.

"Did you ever notice that it is when the city is doing things that private enterprise makes most progress? The Republican party is constructive. The past administration has done practically nothing. It is time for a change."

Given by the Very Rev. Chrysostom Theobald, O.F.M., D. D., the Most Eloquent Catholic Missionary in the United States.

On Sunday, April 9, at 10:30 a. m., the Very Rev. Chrysostom Theobald, the most distinguished orator of Cincinnati, Ohio, will open a Week's Revival or Mission in St. Monica's Colored Church, 17th and Lydia, for the Colored people, Catholic and non-Catholic. A series of most interesting sermons and instructions will be given and every colored man, woman and child are kindly invited to attend. The opening sermon will be preached at 10:30 a. m., April 9, and every evening promptly at 8 o'clock there will be sermon and Benediction. Admission, of course, will be absolutely FREE.

The object of this Revival or Mission is to explain the sublime Christian Truths announced by the Church and to impress upon everyone the one thing necessary for us all—to save our immortal soul. Furthermore, to reclaim those who have strayed away from God or who are addicted to any vice, to enable these to make their peace with God; to awaken the careless and indifferent to a better life; and to increase the fervor of the good and faithful. Hence the fervent and the careless, the good and the sinner, everyone without exception should attend this mission as everyone will be benefited.

Jesus Christ came into the world to save all. His love extended, not only to the good, but even to the sinner. Never did He find a human soul so sunk in sin, so enslaved to vice, that He did not eagerly seek to save. Our Lord's pity reached even to the lowest and His command to His followers is: "To preach the Gospel to every creature." Therefore, no one should think he is unworthy or not welcome. St. Monica's church, 17th and Lydia, was established by the Catholics of Kansas City to help the colored people, and the good work being done there is a clear proof that the Catholic Church is and always has been a true Friend and Protector of the colored race; no sincerely upright person can deny this.

As your well meaning friend I ask you to come and hear the most interesting sermons every evening at 8 p. m., from April 9 to 16. Come and bring your friends.

REV. SISTER PEARL, D. D.
The following are some forceful and helpful scripture lessons which I would be pleased to have my many friends read while thinking of me: Psalms 37: 1-29-17-24-37.—Rev. Sister Pearl.

Did you give her a lift? She is a sister of man and bearing about all the burden she can. Did you give her a smile? She was downcast and blue, and a smile would have helped her to battle it through.

Did you give her a hand? She was slipping down hill and the world so fancied was using her ill. Did you give her a word? Or did you just let her go on with her load?

Do you know what it means to be losing the fight, when a lift in time might set everything right? Do you know what it means just a clasp of a hand, when a woman's borne about all a woman ought to stand?

Do you ask what it was, why the quivering lips, why the half suppressed sob and the scolding tears drip, were you sister of her when the time came of need? Do you offer to help her or didn't you heed?
